The TIC Releasable Bulldog Spear is designed as a means to latch and pull inside diameters in a wide range of sizes.

Simplicity in design and ease of operation make this tool a fine addition to any slickline tool box.

The Spear is available for 2 3/8" tubing (max O.D. 1.850") and 2 7/8" tubing (max O.D. 2.250"). Slips range from .750" - 1.750" in 1/16" increments.

Five different size kits are available or parts can be purchased separately. Kits are as follows:
